

FARM SAFETY NEEDS ASSESSMENT

The Rutgers Farm Health and Safety Working Group is conducting a survey to evaluate the priority needs of New Jersey farmers for training and resource development related to safety and health.

ELIGIBILITY

Any New Jersey farmer aged 18 years or older is invited to participate.

WHAT TO EXPECT

If you choose to participate, you will be asked to respond to questions about:

- Priority hazards for educational outreach
- Personal preparedness for emergencies
- Motivations and barriers for improvement
- Interest in specific trainings and services

The survey takes approximately 10-15 minutes to complete. No information that can identify you will appear in any professional presentation or publication. Responses are anonymous.
